

FINISHES

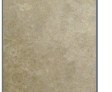

Antiqued

Bushhammered

Honed

Nubuck

Shagreen

Split Face

Suede

Warm gold and earthen beige tones dominate extraordinarily versatile Fiore Gold Limestone. The fossil-rich patterning of the stone is wonderfully active on an intimate scale, yet consistent from piece to piece when installed. The extremely dense and freeze-thaw resistant nature of Fiore Gold makes it ideal for a wide range of applications from interior and exterior paving, pool copings, vertical wall veneer and caps, and custom carved applications.

APPLICATIONS

- Architectural Items
- Commercial Paving
- Freeze Thaw Paving
- Freeze Thaw Veneer
- Full Depth Veneer
- L-Shaped Corners
- Residential Paving
- Thin Veneer
